CARRERA EYEWEAR PRESENTS AN EXCLUSIVE SPECIAL EDITION SUNGLASS

A STYLE DIPPED IN CARRERA HERITAGE: UNIQUE, ORIGINAL AND EXCLUSIVE

CARRERA draws inspiration from its own history to present a **special edition** sunglass. The original and inimitable design of the new iconic glasses digs deep into the brand's archives.

LUXURY HERITAGE APPEAL – The new **CARRERA 86** sunglass is a re-issue of a **classic Eighties style**. Even the name commemorates the **launch year** of the original model. This new cult sunglass recaptures the flair that defined an era and tells the story of CARRERA, celebrating the brand's unique and unmistakable creativity.

The super-slim aviator frame is produced in steel and metal and is enhanced with distinctive **style elements** recalling historic signature features. These details include the metal bridge, the acetate icon on the nosepiece and the red detail on the temples alongside the debossed logo.

QUALITY COMFORTABLE DETAILS – The exquisite styling of the model is married with elite quality as seen in the flex mechanism on the temples, which faithfully replicates the **original hinge**. This is a tribute to the technical research of CARRERA, in a flawless fusion of comfort and pure linear design. The result is a superlative sunglass with advanced technical characteristics.

SPECIAL EXCLUSIVE PACKAGING – The **CARRERA 86** style comes complete with a **special box** reminiscent of the original packaging, right down to the handy soft inner case. The perfect gift for others or oneself!

The **CARRERA 86** sunglass is available in a gold frame with yellow lenses, in a palladium frame with silver grey lenses and in a gold frame with shaded brown lenses.

The CARRERA sunglasses and optical frames collection is manufactured and distributed by the Safilo Group.
